If your truck has a wall cap or bedliner that covers the metal bed wall flange, you will need to remove enough so that all the clamps make solid contact.

Trim only enough of the bed cap edge or liner wall so clamp contacts bottom of metal flange.

100mm

5

Ensure clamp is positioned under bed wall flange. Hand tighten until clamp contacts, then tighten an additional two turns.

Do not secure to only lip of bedliner or wall cap.
Do Not Use Wrench or Overtighten!

6

With tailgate open, completely open the tonno.

7

Slide rear clamp out to the bed wall.

Pull rear clamp down and hook under bottom edge of bed wall flange.

8

It is very convenient to drive with the Trifecta Tonno open. Release the rear clamps and fold the tonno forward.

IMPORTANT: Before folding the second section of the tonno, rear clamps must be stowed into rail to prevent damage to fabric. **Failure to stow handle will puncture tarp and void warranty.**

Fold the tonno forward and fasten the straps in the middle section to the front rail.

IMPORTANT NOTICE

While driving, tonneau must be completely flat and secure with all four clamps in the closed position or completely folded up (all panels) and secured at the cab. **DO NOT DRIVE** with tonneau in partially opened position.

Note: Tarp cannot be removed from aluminum frame. Attempting to do so will cause damage and void the warranty.

Remove any snow or foreign matter before folding cover.

Maximum Strength Warranty - Lifetime frame and tarp warranty covers the following tonneaus: Revolution, Express, Trifecta and eMAX.

■ WARRANTY DURATION:

Lifetime Frame – Extang offers a LIFETIME warranty against defective materials or workmanship on the Revolution, Express, Trifecta and eMAX rails, aluminum components, clamps, bows, hardware. **Lifetime Tarp** – Extang offers a LIFETIME warranty against defective materials or workmanship on the Revolution, Express, Trifecta and eMAX vinyl covering.

■ WARRANTY CONDITIONS:

This warranty is against defective materials or workmanship. The warranty is void if the product has been damaged by accident, unreasonable use, neglect, improper service/installation/removal, modifications, normal wear and tear or other causes not arising out of defective materials or workmanship. Consequential and incidental damages are not covered under this warranty.

THE FOLLOWING CONDITIONS WILL ALSO VOID THE WARRANTY:

- **Wind whip damage** - Tarps must be secured at all points when vehicle is in motion. An unsecured tarp will flap, resulting in damage to the fabric.
- **Improper cleaning** - It is recommended to use the tested and approved Extang Tonno Tonic™ or clean with soap and water only. Do not use vinyl conditioners (i.e. Armor All®) because they will shrink the vinyl.
- **Overloading of cargo** - Cargo should not touch the tonneau's tarp at any point. Protrusions in the tarp will stress the fabric. Cargo may shift while traveling and cause it to push against the tarp fabric and damage it.

The warranty applies to the original consumer/purchaser. Warranty registration must be on file and/or proof of original purchase (detailed and dated receipt) required for warranty to be effective. Warranty coverage starts from the date of purchase.

■ PERFORMANCE:

Provided all warranty conditions are met Extang will either repair or replace (at Extang's option) the product or component. Extang may require the original item to be returned postage prepaid for final determination. Extang reserves the right to substitute and offer the respective warranty discount on an entire replacement system or provide other remedies than those listed in this warranty for discontinued products or other reasons. A return authorization number must be obtained from our customer service department prior to returning any product. Shipping charges will apply for any repair or replacement. This warranty gives you specific legal rights and you may also have other legal rights which vary from state to state.

SAVE GAS, YOUR EXTANG TONNEAU MAY PAY FOR ITSELF!

DID YOU KNOW?

EXTANG TONNEAUS MAY IMPROVE GAS MILEAGE UP TO 10%

HERE'S HOW:

There are conservatively 850,000 Extang Tonneaus on the road everyday and based on the average gas savings, Extang tonneaus save America 102 million gallons of gas per year or approximately \$382,500,000.

Studies show the average truck owner drives 18,000 miles per year. At 15 mpg that comes to 1,200 gallons of gas. At a minimum 10% savings you would save around 120 gallons of gas a year. You can see why it would not take too many months to have your new tonneau pay for itself.

"...adding a tonneau could mean an improvement in fuel mileage that is the equivalent of a free gallon of gas for every 20 gallons used."

- Auto Trim & Restyling News, August 2001

MILES DRIVEN PER YEAR	MPG	AVERAGE GAS COST	ANNUAL GAS SAVINGS	ANNUAL COST SAVINGS	3 YEARS COST SAVINGS	5 YEARS COST SAVINGS	MONTHS FOR TONNO PAY BACK

22,000	15	\$3.75	146gal.	\$547	\$1,641	\$2,735	6

Results are based on an estimated tonneau price of \$300.00 and rounded to the nearest whole number.
Savings may vary and are not guaranteed.
